

#2769

Residential Parcel of Land in Sea Caves, Pegeia

€246,000 +ΦΠΑ

 Peyia Municipality, Paphos

The property totals 2,230sqm, has an irregular shape with a rather slopping surface and offers a nice view of the wider area and the sea. It benefits from a 80m road frontage along a public registered road.

The immediate area comprises of detached villas, undeveloped parcels of land and it is at walking distance, less than 400 m, from the best sunset location on the island, Edro III shipwreck.

The asset has the potential to be covered by all utility services (water, electricity and telecommunication).
