

#5659

Γραφείο προς Ενοικίαση

€3,836 /μήνας

 Egkomi Municipality, Nicosia

The property features both a basement and a ground floor, connected by an elevator, ensuring easy access and functionality. The layout of the space offers great flexibility for commercial or professional use.

The area of Engomi combines comfort with a wide range of services and shops.

The office is located near a highway, providing convenient access to the city center and other areas.
