

3 - Bedroom Villas for Sale #4377

€717,000 +VAT

The Villas in Kissonerga indeed sound like they offer a high-end residential experience tailored to elevate residents' quality of life. With meticulously designed homes boasting exceptional interiors and breathtaking views, they present a range of options including three-bedroom detached homes. These residences come in various sizes, encompassing maisonettes and apartments, each equipped with private showers and allocated car spaces.

The community surrounding these homes is carefully crafted to foster a holistic lifestyle, providing an array of amenities and activities aimed at enhancing residents' well-being. Nestled within verdant, landscaped surroundings, the architectural style showcases contemporary design principles characterized by sleek lines and minimalist aesthetics, cultivating a modern ambiance.

Inside, the spacious interiors feature lofty ceilings and an open-plan layout, facilitating abundant natural light penetration and a seamless integration between indoor and outdoor living areas.
