

3 Bedroom Upper House with Roof Garden #4681

€320,000

Situated in a peaceful dead-end road in Archangelos area of Nicosia, this stunning 3-bedroom whole floor apartment offers an exceptional living experience. Surrounded by numerous parks and a plethora of nearby amenities, this location provides both tranquility and convenience.

Scheduled for completion in May 2025, the apartment features state-of-the-art amenities and modern design. Key features include solar photovoltaic panels, provision for a pool, and split units in all rooms for efficient heating and cooling. The apartment also boasts a water pressure system and an internal storage room for added convenience. It also has 3 covered parking areas on the ground floor.

One of the standout features is the expansive roof garden with a total covered area of 42.5m², perfect for outdoor entertaining or simply enjoying the view. On this floor, there is an extra storage room for your needs.
